WHO WE ARE

UVPLASTIC Material Technology Co., Ltd is a *ONE-STOP SUPPLIER* in the engineering plastic field, established in 2003 at Suzhou, China. After many years of continuous effort, we have one subsidiary and three trademarks (UVPLASTIC, UVACRYLIC, VIEWSKY), main business are:

1. Engineering Plastic: providing polycarbonate and acrylic in all forms;
2. Machining Service: providing the integrated machining solution for engineering plastic;
3. Application: we design and manufacture products based polycarbonate and acrylic, including VIEWSKY Bubble Tent, Geodesic Dome Tent, Office Chair Mat, Riot Shield, Mini-Greenhouse, etc.

Today, UVPLASTIC is active in architecture & construction, agriculture, medical industry, auto industry, security industry, electronic industry, POP display, optical industry, and industrial fabrication, etc.

COOPERATION PARTNER

WHY UVPLASTIC

One-Stop Supplier

UVPLASTIC is a one-stop [supplier of polycarbonate](#) and [acrylic sheets](#) in all forms. Meantime, we offer the complete system for the greenhouse, building roof, and facade system.

Machining Service

With more than 15 years of experience and high efficient working style, UVPLASTIC can build the prototype and will make customer's ideas come true within short time.

Design and Development

With assistance from CAD, Solidworks, CATIA, and UG, UVPLASTIC works with global engineers to discuss product feasibility and find the best solution for the projects.

Design it and make it

UVPLASTIC have designed some products based on polycarbonate and acrylic, such as VIEWSKY Bubble Tent, Geodesic Dome Tent for hotel, restaurant, glamping, and display application. The mini-greenhouse and office chair mat are popular all over the world.

VIEWSKY Glamping Dome Bubble Tent

VIEWSKY is a trademark belongs to UVPLASTIC, which is a Non-inflatable Glamping Dome [Bubble Tent](#), the best living tent and glamping dome tent, for Camping, Scenic Resort Hotels, Outdoor Hotels, Gourmet Restaurant, Bubble Bar, etc. It is a totally see-through bubble tent and allows you to install a curtain system for privacy. Therefore, you can sleep inside and enjoy the starry or memorable dinner on a wonderful night.

Unlike the PVC inflatable bubble tent, you don't need to prepare the air source for it. VIEWSKY Glamping Dome Bubble Tent offers the aluminum window, they always provide fresh air inside. The main material is the aluminum profiles and [clear polycarbonate sheets](#), which is virtually unbreakable between -40 and 120 degrees centigrade. Therefore, it is totally all-season products, meantime, it offers excellent light transmittance, great fire resistance, marvelous strength to withstand the sudden stormy wind, heave snow, rainstorm, etc.

The UV coating layer is coated on the outside surface, can block more than 99.9% ultraviolet rays. Therefore, VIEWSKY Glamping Dome Bubble Tent offers great durability and lasts 15 years at least without yellowing nor damaging.

Compared with [Geodesic Dome Tent](#), it is stronger and easier to assemble and install due to the modular structure design. Today, more than 600 clients are using VIEWSKY Glamping Dome Bubble Tents for hotel, restaurant, outdoor glamping, Airbnb, dome greenhouse, POP display business.

Main Benefits

- Totally see through, helps you close to nature and delight in the splendid views;
- Stable and safe, by using polycarbonate, which is 250 times stronger than glass;
- Curtain system is available for privacy;
- Comfortable, the UV coating on the surface can block more than 99.9% ultraviolet rays;
- Excellent fire resistance;
- All-season Glamping Dome Bubble Tent, polycarbonate can be used between -40 and 120 degree;
- Longer lifespan, the UV coating helps polycarbonate keep clear for over 10 years;
- Waterproof and dampproof;
- Modular Design and easy to install;
- Custom clear bubble tents are available;
